YOUR TURN

'Condi' for veep

Former Vice President Joe Biden said he would select a woman to be his vice president candidate. His search should be narrow. For the sake of unifying the country, she should be a Republican.

His choice should be the woman most qualified and respected: Condoleezza Rice.

Star Carey

Associated Press file photo

Former U.S. Secretary of State Condoleezza Rice, pictured here in 2007, is well-respected, and a reader says she would make an excellent vice presidential pick for Joe Biden.
